

**Subject:**

**EXPLICIT DEFINITION OF SEALING  
PROCESSES REQUIRING AN APPROVAL**

**Proposal**

**ADAL**

**QUALANOD resolution:**

**Meeting held on 28 June 2006  
(ratified on 23.11.06)**

**Date of application:**

**January 2007**

**Amendments to the  
Specifications:**

**Sections 3.2.10 and 3.2.12**

### **3.2.10 Sealing by hydrothermal treatment**

Processes applying any principle other than hydrothermal treatment as described in this section or impregnation as described in section 3.2.11 must be tested as stipulated in Appendix VI.

[...]

### **3.2.12 Medium temperature sealing**

Only systems tested and approved by QUALANOD as stipulated in Appendix VI may be used for the purposes of the quality label. These systems should be used in accordance with the suppliers' written instructions approved by QUALANOD.
