Some businesses using anodised products may wish to use the logo on their finished products or business literature.

They must request written authorisation which may be granted on condition that they:

- ◆ undertake to submit all documents that refer to QUALANOD to the national associations for approval or directly to QUALANOD in countries where there is no national association;

Such authorisation may require payment of an annual fee. Authorisation will be withdrawn automatically if any of the conditions set out above is not met.
